Meet your trainers

Nadine and Stacey have over 8 years combined lashing experience. Trained by two separate trainers they were able to pool their knowledge and training together and become our Lash Dream Team! The girls passion for lashes has lead them to want to share their skills and knowledge with like minded people and create an in-depth lash training course that targets correct application, removal and after care of lashes.

Course Overview

Lash types

Lash suitability

Lash styles

Photography

Lash prep

Tape application

Lash application

Lash removal
