meet the trainers

Jayde and Nadine have many years combined lashing experience. Trained by two separate expert trainers they were able to pool their knowledge and training together and become our Lash Dream Team!

The girls passion for lashes has lead them to want to share their skills and knowledge with like minded people and create an in-depth lash training course that targets correct application, removal and after care of lashes.

course overview

1. Understand requirements for providing eyelash extension service

1.1 Infection control

1.2 Equipment

1.3 Lash types

1.4 Lash mapping

2. Establish service requirements
